Adorama Rental Co

2011

Our goal is for you to have a great rental experience. Our staff of specialists are always willing and able to answer your questions and provide hands-on demonstrations.

We are committed to delivering the highest quality standards in products and technical support, at rates that make sense.

We continuously invest in new technology and regularly upgrade our inventory with the latest models in order to keep pace with the constant shift of the media marketplace, so you don't have to.

We are proud to state that we have become the leading source in the pro digital field, carrying the largest inventory of HD/SLR cameras, lenses and accessories in the US, at the lowest rates in the industry.

We invite you to visit our newly renovated 6th floor rental department and demonstration space. There's plenty of room to open, check and test your equipment orders. We also offer a free pick-up and drop-off service to and from your vehicle at our ground-level entrance.

Happy Renting.

RENTAL POLICY

WHAT DO YOU NEED TO PROVIDE TO RENT FROM US?

A photo ID and a major Non-Debit Credit Card with enough line of credit available to hold the full replacement value of the equipment you are renting. Once we receive your equipment back and if there are no damages or losses, the Security Deposit on your card is released.

Alternatively you can provide a Certificate of Insurance that covers rented Photo Equipment for the full replacement value, naming Adorama Rental Co as the Certificate Holder or Loss Payee. In this case, we will only put a hold for the amount of your deductible on your Credit Card. We do not provide Insurance. We strongly encourage renters to obtain an insurance policy, especially if you rent frequently or when the replacement value of your orders is high.

When you pick up in person or receive equipment either via messenger or shipped to you, go over the order and ask one of our rental agents any questions you might have before you sign and agree to the Terms & Conditions. All equipment is tested and inspected prior to and after each rental. Any problem with the equipment must be reported immediately to us at 212-627-8487. If equipment is returned damaged, we will send it to the manufacturer for an estimate and either bill you for the repair fee or for the full replacement cost if it can't be fixed.

RENTAL FEE

Payment is due when the equipment is returned.

We will charge the same credit card you provided originally, unless you decide to pay with a different card or in cash. We do not accept personal checks.

MAIL ORDERS

We ship inside the US and for a minimum of a one week rental.

Renter pays for shipping costs both ways. Orders are shipped overnight. Rental starts when you receive it and ends when we do.
